

Spend time learning what it's like to work in the fast-paced, collaborative and entrepreneurial environment at Crescent Communities. Our summer associates play key roles on our internal teams and provide external community support and enhancement. Our 10-12-week summer internship program is designed to help students gain early exposure to the real estate industry including Finance, Development and Construction. This opportunity is perfect for students interested in a real estate career and to learn the real estate industry from the ground up. All can expect outstanding opportunities to learn, share ideas and gain perspective alongside some of the industry's best and brightest.
